These benefits are all subject to change, including termination thereof, at any time in the sole discretion of the MTA, except to the extent that they have been established by collective bargaining agreement. The Empire Plan (New York State Health Insurance Program)

The Empire Plan is a comprehensive health insurance program, consisting of four main parts:

- **Hospital Program (administered by Empire BlueCross BlueShield)**
- **Medical Surgical Program (administered by UnitedHealthcare)**
- **Mental Health & Substance Abuse Program (administered by Beacon Health Options, Inc.)**
- **Prescription Drug Program (administered by CVS Caremark)**

See following pages for more detailed information on the Plan.

Empire Plan Out-Of-Pocket Costs

In-Network Out of Pocket Limit: The amount you pay for network services/supplies is capped at the out-of-pocket limit, and includes copayments you make to providers, facilities, and pharmacies. Once the out-of-pocket is reached, network benefits are paid in full. For 2019, the maximum out-of-pocket limit for covered in-network services under the Empire Plan is \$7,900 for Individual coverage and \$15,800 for Family coverage, split between all four lines of coverage listed above.

Out-of-Network Combined Annual Deductible: The combined annual deductible is \$1,250 for the enrollee, \$1,250 for enrolled spouse/domestic partner, and \$1,250 for all dependent children combined. This annual deductible applies to services received out-of-network, combined across the Basic Medical Program, the Home Care Advocacy Program, and the Mental Health and Substance Abuse Program.

Combined Annual Coinsurance Maximum: The combined annual coinsurance maximum is \$3,750 for the enrollee, \$3,750 for the enrolled spouse/domestic partner, \$3,750 for all dependent children combined. Coinsurance amounts incurred for non-network Hospital coverage, Basic Medical Program coverage and non-network Mental Health and Substance Abuse coverage count toward the combined annual coinsurance maximum.
