Empire Plan Out-Of-Pocket Costs

In-Network Out of Pocket Limit: The amount you pay for network services/supplies is capped at the out-of-pocket limit, and includes copayments you make to providers, facilities, and pharmacies. Once the out-of-pocket is reached, network benefits are paid in full. For 2022 the maximum out-of-pocket limit for covered in-network services under the Empire Plan is \$8,700 for Individual coverage and \$17,400 for Family coverage, split between all four lines of coverage listed above.

Out-of-Network Combined Annual Deductible: The combined annual deductible is \$1,250 for the enrollee, \$1,250 for enrolled spouse/domestic partner, and \$1,250 for all dependent children combined. This annual deductible applies to services received out-of-network, combined across the Basic Medical Program, the Home Care Advocacy Program, and the Mental Health and Substance Abuse Program.

Combined Annual Coinsurance Maximum: The combined annual coinsurance maximum is \$3,750 for the enrollee, \$3,750 for the enrolled spouse/domestic partner, \$3,750 for all dependent children combined. Coinsurance amounts incurred for non-network Hospital coverage, Basic Medical Program coverage and non-network Mental Health and Substance Abuse coverage count toward the combined annual coinsurance maximum.
